LAMBS FARM MAGNOLIA CAFÉ - Noon ELDER LAW, "Documents You Don't Think You Need Until You Do"

I am a lifelong Chicagoland resident with a passion for helping families plan their estates so their loved ones are cared for upon their passing. I utilize wills, trusts, powers of attorney for property and healthcare, with the goal of both ensuring that assets pass to your intended loved ones and to make sure that the right people are acting on your behalf if you are unable to make decisions. For families with a recently deceased loved one, I will represent the appointed fiduciaries in administering the estate, be it probate administration or trust administration.
